Copies of the summary plan descriptions are available free of charge by contacting the HR department. The information in this benefit guide is presented for illustrative purposes. The text contained in this guide was taken from various summary plan descriptions and benefit materials. While every effort was taken to accurately report your benefits, discrepancies or errors are always possible. We encourage you to review each section and to discuss your benefits with your family members. This guide is not an employee/employer contract. It is not intended to cover all provisions of all plans but rather is a quick reference to help answer most of your questions. Information presented here does not cover all details and limitations for the plans. Additional information is found in Summary Plan Booklets. The legal plan documents and master insurance policies are the final authority in determining benefits. ALVMA reserves the right to amend its plans from time to time and has the right at any time to terminate any plan or benefit. Participation in the plan described does not constitute any contract of employment.

Please see your Summary Plan Description for complete details. We hope this guide will give you a clear explanation of your benefits and help you be better prepared for the enrollment process.

ELIGIBILITY & ENROLLMENT WELCOME TO YOUR NEW EMPLOYEE BENEFITS

WHO IS ELIGIBLE

You are eligible for benefits if:

- Your employer has completed an ALVMA participating employer agreement and
- You are a full-time associate working at least 30 hours per week or 130 hours per month

EFFECTIVE DATE OF COVERAGE

During the plan year, eligible new hires will be subject to a waiting period determined by the applicable benefit. Your plans will become effective the first of the month following the waiting period. If you enroll in benefits during Open Enrollment, your benefits will be effective January 1st.

WHEN TO ENROLL

Benefit eligible associates have the two following opportunities to enroll in the associate benefits program:

NEW HIRE ENROLLMENT. New hires have thirty days from their date of hire to enroll in ALVMA's benefit coverages. The plans become effective first of the month following 30 days. Associates not enrolling during this period must wait until the next open enrollment to elect coverage. If you have questions, please contact your manager.

OPEN ENROLLMENT. For the 2025 plan year, ALVMA's annual open enrollment period will take place beginning Monday, November 4, 2024 and will close Wednesday, December 4, 2024. All changes and elections will be effective January 1.

ELIGIBILITY & ENROLLMENT WELCOME TO YOUR NEW EMPLOYEE BENEFITS

WHEN YOU CAN MAKE CHANGES

ALVMA benefits plan year is from January 1 to December 31. Generally, you can only change your benefit choices during the annual Benefits Enrollment period.

You are also allowed to make benefit changes if you have an IRS "Qualifying Event" during the year, which includes:

- Marriage or Divorce
- Birth, adoption or placement for adoption of an eligible child
- Death of your spouse or covered child
- Change in your spouse's work status that results in cancellation of your benefits
- Your dependent child is no longer eligible
- Loss of coverage through a parent's plan
- Becoming eligible for Medicare or Medicaid during the year

If you have a life event change, you must submit notification to your manager within 30 days of the qualifying event. Depending on the type of change, you may need to provide proof document-tation (for example, a marriage license or birth certificate). If you do not submit notification within 30 days, you will have to wait until the next annual Open Enrollment period to make benefit changes.

WHEN COVERAGE ENDS

Benefits end on the last day of the month in which your employment ends, or when you cease to meet eligibility guidelines.

MEDICAL INSURANCE BLUE CROSS BLUE SHIELD OF ALABAMA

ALVMA offers Three medical plan options administered by Blue Cross Blue Shield of Alabama. All plans are Preferred Provider Organization plans.

All plans use the same network of providers who have agreed to charge discounted rates to plan members. The amount you pay for health care will vary depending on whether or not you use in- network providers and facilities. You always have the choice to go to any provider, but you'll pay less if you stay within the Blue Cross Blue Shield of Alabama network.

MEDICAL INSURANCE

MEDICAL PLAN OVERVIEW

MEDICAL INSURANCE BASICS

DEDUCTIBLE

The amount you pay for covered health care services before your insurance plan starts to pay.

CO-INSURANCE

The percentage of costs of a covered health care service you pay after you have paid your deductible (20% for example).

OUT-OF-POCKET MAXIMUM

The most you have to pay for covered services in a plan year. After you spend this amount on deductibles, copayments, and coinsurance, your health plan pays 100% of the costs of covered benefits for the remainder of the year.

WHICH PLAN IS RIGHT FOR ME?

PREMIER PLAN

The high plan provides a higher level of benefit coverage. While the premium is also higher, it is for good reason. This plan may be the best fit for you and your family if you anticipate regularly using the plan or historically have various medical expenses throughout the year.

VALUE PLUS PLAN

The medium provides a mid level of benefit coverage. While the premium is higher than the value plan, it is for good reason. When you elect the value plus plan you are automatically enrolled in secondary medical coverage. Secondary medical coverage provides a layer of additional insurance protection designed to significantly lower your overall out of pocket costs. This plan may be the best fit for you and your family if you anticipate regularly using the plan or historically have various medical expenses throughout the year.

VALUE PLAN

The low plan provides a basic level of insurance coverage. The cost of the plan is less because the overall benefit has much higher deductible and overall out of pocket costs. This plan may be the best fit for you and your family if your goal is to have protection against a catastrophic and unexpected medical expense and do not historically have medical expenses.

MEDICAL INSURANCE SECONDARY MEDICAL PLAN OVERVIEW

WHAT IS SECONDARY MEDICAL?

You are automatically enrolled in secondary medical coverage when you elect the Value Plan coverage option through ALVMA. Secondary medical coverage provides additional protection by allowing coverage for various eligible medical expenses that you would traditionally pay out of pocket for.

Eligible Secondary Medical Expenses include (but are not limited to):

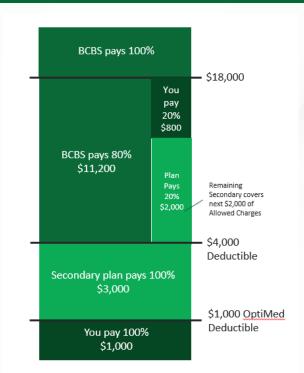

- Diagnostic tests (such as lab work)
- Hospital charges (facility & physician)
- MRI's, X-rays, Chemotherapy, Radiation, etc.
- Ambulance transportation

- Emergency Room expenses
- Procedures performed at an outpatient facility
- Other covered services (Physical Therapy, Chiropractic care, etc.)
- Mental, Nervous & Substance Abuse

HOW THE VALUE PLUS PLAN WORKS

- By electing the Value Plus Premier Medical Plan, you will be responsible for covering your first \$1,000 in eligible medical expenses.
- Your secondary coverage plan will then step-in to pay the next \$3,000 of you BCBS deductible. (Excluding copays - as they do not apply to the deductible) From there BCBS's coinsurance will pay 80% of all claims and your secondary coverage will pay 20% for the next \$2,000.
- Once your Secondary Medical plan has paid out the maximum \$5,000 benefit, you will have only have the responsibility for an additional out of pocket amount of \$800 in medical expenses. (Up to this point you have only paid your \$1,000 deductible)
- •
- One you have met your total \$1,800 out of packet maximum, your BCBS AL plan will pay 100% for covered medical expenses for the rest of the year.

Please Note: Secondary coverage does not cover office visits, prescription drug co-pays or home-health services. *Example shown reflects single coverage.

Value Plus \$5,000 Secondary Benefit \$1,800 Out-of-Pocket Maximum
